## HOLLOWAY'S PILLS.

To the Citizens of the United States:—  
I most humbly and devoutly beg of you, for the immense numbers which you have bestowed upon my Pills, this opportunity of stating that my Americans are all American citizens, and that I entertain for all that come from America and the Americans the most lively gratitude, so much so that originally I composed these Pills expressly to suit your climate, habits, constitutions, and manner of living, intended to establish myself among you which I have now done, by taking residence in New York.

THOMAS HOLLOWAY  
38, Corner of Nassau and Beane Streets, New York.

**THE BLOOD, LIVER AND BILIOUS COMPLAINTS.**  
I call the attention of the Ladies much from the state of the Liver and stomach. These are the chief sources of the blood, and the blood is the life of the body. If the blood is impure, the body is diseased. It is therefore of the greatest importance to keep the blood pure. This is done by the use of my Pills, which cleanse the blood and the liver, and give the blood a good color, which is the sign of health.
